

Dear Smith Island United Membership,

Happy New Year and hope you all had a wonderful holiday season!

At a recent Executive Committee meeting, the officers discussed and unanimously voted to change the membership period from July 1st to June 30th of each year to better align with the calendar and fiscal years. The new membership timeframe will now be January 1st to December 31st.

For those of you who recently paid for their renewals this past July, your dues for 2026 will be prorated accordingly- to 50% of the \$20.00 annual due costs. For those of you who have not renewed and would like to do so, the amount would be the full \$20. Please visit the Smith Island United website to pay online or instructions of where to mail your payment. Below is the link for your convenience. We are looking to have a General Membership meeting sometime in March/April timeframe. As always, thank you for your continued support of Smith Island and its communities.

Sincerely,

Eddie Somers, President

Smith Island United
